## SATURDAYS

## SOFT RE- OPENING

Due to Covid-19 we will be doing a soft re-opening this summer with a very limited class selection. This decision was made according to guidelines provided by the CDC to reduce the number of people within our studio each night and to provide time for proper cleaning and disinfection. The safety of our dancers is our top priority! Zoom classes will continue to be offered for those that do not yet feel ready to be back in the studio! *Refunds will be issued if things change between now & July*
